Towing and Wrecker News

No agency updates

Other Agency News

FDOT District 7 informed the team that Sam Taylor is the new TIM Program Manager for District 7.

Peter Martin, DCS, informed the team on the Skyway Bridge Access points for first responders and rescue.

The team was informed of a new staff member at the Satellite TMC in Manatee County, Subin Idikula, ITS Maintenance Manager.

Update on TIM Initiatives:

Tom Arsenault, Metric Engineering, reminded the team about the purpose of the TIM Meeting.

- TIM is the coordinated detection, response to and removal of traffic incidents as quickly and safely as possible. TIM is a coordinated effort among multiple agencies.
- The primary purpose of TIM is to reduce the duration and impact of incidents as well as to improve the safety of motorists and most importantly our incident responders.
- The TIM Meeting is to help prop up the communication, coordination and collaboration among our incident responders.

Tom Arsenault, Metric Engineering, provided the Road Ranger performance statistics.

Tom Arsenault, Metric Engineering, provided a training session on Emergency Vehicle Markings and High-Visibility Safety Apparel. To view the full presentation, please visit the TIM Team website at: <http://www.swfltim.org>

After Action Reviews (AAR) provide agencies with actionable intel on an incident or event that can be used for improved strategies for future occurrences, demonstrating the benefit of quick clearance practices and improve cross-agency coordination and communication.

AARs were performed on the following recent major incidents:
